### Freelance 3D Designer

Sep 2023 -

### Languages

English

Korean

### Carbon 3D Designer

July 2022 - Sep 2023

At Carbon, I served as a 3D Designer crafting styleframes for client projects. Additionally, I took on a diverse range of roles as a generalist, handling tasks from previs to modeling, animation, lighting, and rendering.

### The Mill CG Artist

Oct 2020 - July 2022

At The Mill, my primary role involved serving as a look development and lighting artist, contributing to projects for major brands including Google, Logitech, Buick, Xbox, Spotify, Audi, Chevy, Nissan Paramount+

### Psyop 3D Generalist Intern

Jun 2019 - Dec 2019

During my time at Psyop, I worked as a 3D generalist, handling tasks from modeling to lighting. One of the main projects I contributed to was the Chick-fil-A Christmas animation.

## Education

Savannah College of Art and Design
